All Saints formed more than 40 years ago when the Whitmore Park-Hillsdale neighbourhood was growing quickly. Our first families believed that their neighbourhood needed an Anglican church. Since then, our church and hall serve as a place for our faith community to gather for worship, for community, educational and social events, and to mark special occasions.

Welcome! We're Glad You're Here!

If you are visiting.... Enjoy your time with us. Please sign our guest book, and, if you are at the 10:30 a.m. service, join us for coffee in the Hall afterwards.

If you've never been to a church... This is a faith community. People come together from different walks of life to worship God and acknowledge our spiritual needs.

If you've never been to an Anglican church... All Saints is part of an historic church, grounded in scripture, tradition, and reason. The Anglican Church has roots going back to the earliest Christian missionaries in the British Isles, and is now found worldwide.

If you haven't been to church in a while... you will find some things you remember, like favourite hymns and the Book of Common Prayer, and some innovations, like the new hymn and service books with inclusive language. You can choose between the traditional and the alternative services to help you participate in meaningful worship.

If you are considering the Christian faith... Reason is one of the foundations of the Anglican faith. All Saints offers educational forums, Bible studies and study groups that focus on different angles of the Christian faith. The Anglican church articulates faith in God, who creates, redeems and sustains.

If you want to share spiritual gifts with your children ... All Saints Church School and Youth Group offer young people opportunities for learning, friendship and to serve others.

If you want to change the world... All Saints is a place where you can learn skills to make a difference. All Saints seeks ways to reach out into the community and the world, to seek and serve Christ in others. If you know of a need, let us help you meet it.

If you are doing too much and enjoying it too little... All Saints offers the chance to be apart from the world for a little while, to reflect, and be refreshed. Beautiful music and a restful setting provide peace. You have an opportunity to relax and enjoy companionship at social events, and through various congregational activities.

If you are looking for a church home... Try All Saints!

If All Saints might be your spiritual home... Fill out one of the cards found next to these pamphlets and either put in the collection plate or give it to a sidesperson after the service. Let's get together to know you better.

God calls us to be a community of faith that joyfully carries Christ's love into the world.
